PM 706 and Barclay

Dear Ed,

I have your messages about PM 706 in Germany and Switzerland. Jack Mandiratta and I hope to talk with you tomorrow (Thursday) morning at 9.30 (your time).

Response on PM 706 German Divisional is most urgent, due May 30.

In Switzerland, trial lawyer Dr. David on instructions from Dr. Hach, has prepared draft nullity suit against Barclay Swiss patent 645252. Translation is attached. Para 34 should be deleted because Dr. David has already sent letter before actions to B. W's attorneys giving 14 days to surrender patent. Possible duplication with Dr. Thomann should be avoided.

Yours sincerely,
